

# FM & Building Maintenance

Girling Jones Ltd specialise in the recruitment of technical and trade professionals into the FM and building maintenance industry on a temporary and permanent basis. We work within both domestic and commercial environments covering the following key sectors:

**Local authority and Housing Association, Education, Healthcare, MOD, PFI / PPP and Commercial**

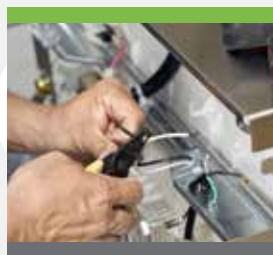

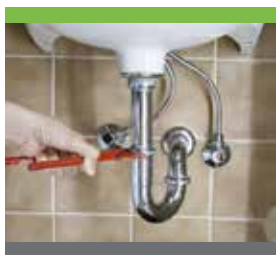

We supply technical, management and trades staff to end users and maintenance contractors alike, providing reactive and planned maintenance, void works, insurance repairs and capital works programmes.

**We recruit the following types of candidates:**

- Mechanical and Electrical Trades
- Mechanical and Electrical Engineers
- Gas Engineers
- Plumbers and Carpenters
- Tiler's and wet trades
- Site Foreman / Managers
- Contract / Project Managers
- Quantity Surveyors and Estimators
- Building Surveyors
- Senior Managers

Whether you're a national or regional business we will provide you with one, dedicated account manager, who solely recruits within your sector of expertise. All of our Consultants pride themselves on face to face interviewing, compliance and rigorous referencing, as well as having a technical understanding of the markets they supply.
